

# Quiz on women's rights

**Summary:**

Spark students' interest and test their knowledge with this short quiz on women's rights.

**Materials required:**

- Small pieces of card or paper (three for each student)
- Pens

**Learning objective:**

- Students are aware that inequalities exist between women and men in access to power, money and representation.

**Duration:**

10 minutes

**Age group:**

Secondary

## Instructions

- Introduce the activity to students.
- Give students three pieces of card or paper and ask them to label the cards clearly as A, B and C. These will be the students' 'answer cards'.
- Read out the quiz questions. After each question, ask students to indicate whether they think the answer is answer A, B or C by holding up the appropriate answer card in the air, and then reveal the answer.
- After the quiz, tell students how they can find out more and get involved in initiatives to tackle sex inequality, for example by joining a school feminist group or by visiting the UK Feminista website: [www.ukfeminista.org.uk](http://www.ukfeminista.org.uk)
